**Armor started 2026 on the move by
acquiring a company in Elko, MN -
Environmental Equipment

**We are excited to be part of a company
that started in 1998 as a Tymco Dealer
in MN, ND, SD, and more recently WI.**

**They have been a Tymco-only Dealer
for 28 years and have established
themselves as Street Sweeper experts
and a top-tier Dealer.**

**They are a welcome addition to
our Armor family!**

Speaking of Sweepers...

It's Spring Clean-Up Time!

**We can get your existing STREET SWEEPER
tuned-up and ready for Spring Clean-Up!
Our Armor Service Departments have years
of experience in repairing Parking Lot,
Dustless, Airport, Municipal, and Contractor
Street Sweepers.**

**We can also assist you with OEM PARTS,
including: Replacement Brooms, Suction
Hoses, Blower Wheels, Skids, Pick-Up

**Armor is movin'
