Fall is Here!

Check out

Armor-equip.com

for our Equipment
Inventory!

MISSOURI / ILLINOIS (636) 296-7119 KANSAS (913) 839-1777

Our Locations: 1368 Lonedell Road, Arnold, Missouri 63010 / 450 N. Lindenwood Drive, Olathe, Kansas 66062

Featuring: **ODB Xtreme Vac Leaf / Debris Machines**

Armor offers the *ODB Xtreme Vac* Truck Mounted, Trailer Mounted, Tow Behind, and Debris Collectors units to Missouri, Kansas, and Mid & Southern Illinois.

ODB products have so much to offer:

- ~ Safest
- ~ Easiest to Use
- ~ Most Reliable
- ~ Easiest and Fastest to Maintain
- ~ Fastest Collection Per Lane Mile
- ~ Most Cost-Effective with the Lowest Cost of Operation and Ownership
- ~ Most Efficient

We can help you find the right ODB Product to meet your needs!

Armor and Old Dominion Brush Company have numerous items in common, but the most relevant is that we both have longevity in our industries - ODB has been in business since 1910, and Armor entered in 1970. That means a whole lot in our continually changing industry. This is what helps make us great partners!

Farley came to visit us with his human, Tripp Manheimer, but he may not be the model employee – he’s just a little bit on the “sooooo tired” side.

However, *Armor* does have several exciting

Job Openings

at both of our locations:

Arnold:

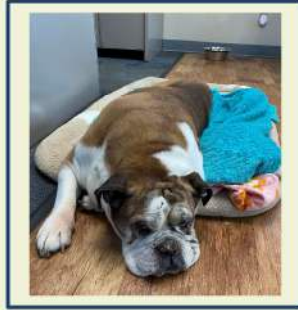

- ~ Truck Painter/Fabricator
- ~ (2) Diesel Technicians
- ~ (2) Regional Sales Mgrs

Olathe:

- ~ Diesel Technician

We continue to Grow, so we continue to Add!
If interested, contact us at Tripp@Armor-equip.com.

And, no...you can't bring your blankie like Farley did.

Speaking of Tripp.... Someone

celebrated a BIG Milestone

Birthday recently!

Happy birthday to our fearless leader!

56 and holding!

Happy birthday to you!
