

# Sales, Service and Parts for Trucks & Heavy Equipment

ST. LOUIS (636) 296-7119 STL TOLL FREE (800) 777-2766 KANSAS (913) 839-1777

## Featuring: Heil Half/Pack Odyssey Residential

For more than 100 years, *Heil* has been in the forefront of excellence, innovation, and customer satisfaction in the Waste Industry. *Heil's* engineering innovations continue to raise the bar for automated front load garbage trucks. The patented *Odyssey* technology delivers waste industry leading productivity with low total cost of ownership, helping haulers make more money on their routes.

No other residential front loader garbage truck features *Odyssey's* smart design, with all of its systems working together to reduce the total cost of operation. It's more efficient, easier to operate, easier to service and less likely to need service.

### Key Features and benefits of this incredible unit:

Body Capacities offered: 20yd – 23yd – 28yd – 32yd

Packer Cycle Time: 20-23 seconds @ idle

Heil's Auto-Lift Feature: Automated dumping cycle reduces spillage and operator error. Provides smooth, automated emptying of Currotto-Can into Hopper.

Multifunction Joystick: Controls arm-lifting functions and carry can functions. Increased productivity; Easier to train new operators.

Streetwise Hydraulics: "Clean front head" relocates the hydraulic body valve from the front head to under the side of the body. Reduces the influence of exhaust heat on the hydraulic components.

In-Cylinder Sensors: Eliminates proximity switches and provides cab and body protection; less downtime; saves maintenance/adjustments.

Fork Cradle: Minimizes cab shake, allows height adjustment, picks cans at multiple height levels and reduces operator fatigue.

St. Louis Peeps!

## Unit of the Month: Meet "PEPPER" (short for Peppermint), our 2009 Mack MR, with 40 Yd. New Way Mammoth Frontloader.

This heavy duty unit is not just eye-candy, it could be the missing piece in your current refuse / recycling truck fleet!

**PEPPER is ready for a forever home!**

## Spring is Around the Corner

Time to knock the dust off those Street Sweepers! Sweeper maintenance is optimal to keep your Sweeper working hard for you this season.

Armor can help with Service and Replacement Parts today!

**Service/Parts Hours: Monday-Friday**  
StL: 7:30am - 5:00pm KS: 7:30am - 4:30pm

We are looking for an experienced DIESEL MECHANIC in our St. Louis location. If you would like to be part of our Armor family, please contact Jeremy Tucker.

We are celebrating an Anniversary! Jeremy Tucker, our Parts & Service Manager, has been with Armor for 17 Years this year!

Jeremy was hired to work in the Parts dept. and several years later was promoted to Parts & Warranty Manager.

Then in 2006, he also stepped into the role as Service Manager.

We are truly happy to have Jeremy's experience and knowledge in these vital roles at Armor.

**Happy Anniversary JT!**

## Armor continues to be a Proud Distributor for the following Product Lines:
