Sales, Service and Parts for Trucks & Heavy Equipment

MISSOURI / ILLINOIS (636) 296-7119 KANSAS (913) 839-1777

Featuring: Toter EVR II Carts

Toter Carts are manufactured with a stress-free **Advanced Rotational Molding** process that provides superior product durability for long life. Toter carts are extremely flexible and impact-resistant, and easily handle the day-to-day abuse of waste collection.

The **Advanced Rotational Molding** makes *Toter Carts* superior because it eliminates built-in stress, weakness and brittleness associated with injection molded products. In addition, Toter's use of linear medium density polyethylene (MDPE) is specifically engineered for toughness and high-impact resistance. This results in a stronger cart than injection-molded carts, which are rigid, brittle, and has poor impact resistance.

Toter ADVANTAGES:

- Superior toughness and durability
- Single-piece product design – no seams
- Consistent wall thickness
- Stress – free, zero-pressure product
- Unique design and structural capabilities like Rugged Rim, sealed stop bar journals, and granite finish
- UV stable
- Custom Colors
- Corrosion and chemical-resistant
- Ability to mold in graphics

New Employees

aka Fresh Meat!

Wayne Skaggs / Diesel Mechanic / Welder / Collector of t-shirts
- aka: **Wayn-er**

Wesley Woodward / Welder / Body Mounts / Fleet Maintenance
- aka: **Wes, Wes-ley, Chase**
(What's your name?...dude, pick one!)

Two-Wheel EVR II Toter Carts: Perfect for the collection, transport and disposal of waste and recycling for industrial, commercial, and institutional environments. The Advanced Rotational Molding manufacturing process provides superior product durability and years and years of service life. They stand up to just about anything that's tossed in them – or at them!

Available sizes: 32, 48, 64, 96 gallons

Standard colors: Greenstone, Brownstone, Blue, Graystone, Sandstone

Armor Kansas City: Our Olathe location has now been open for almost 3 years, and this location continues to grow stronger daily.

As the hub for our KS Sales Team, the amount of New Refuse Trucks and Street Sweepers that our Service Dept continues to put into service just amazes us! Our Parts Dept consistently offers (and stocks) OEM Parts from all of our leading manufactures, along with all the nuts and bolts needed to keep local sweeping companies, and haulers, on the road servicing their customers. Dallas Judkins (KC Service Dept) New Sweeper going into Service!

Unit of the Month: This is "Big Jon", our 2008 International Dura Star 4300, with 2008 K-PAC KPCCR Rotator Container Handler.

This mighty, versatile, tough unit is small in structure, but definitely lives up to its name!

For more details, go to: armor-equip.com, or call us at 636-296-7119.

YEARS OF SERVICE IN OUR SERVICE DEPT

Jeff Perkins is Celebrating a "Years of Service" Anniversary! Jeff has been devoted to Armor Equipment for the last 10 years!

Jeff is the TRUCK / BODY PAINTER for our Armor organization.

Jeff started working in our Service Dept in 2009, bringing years of paint shop experience with him. Jeff continues to work methodically to make our customer's equipment look like it just rolled off the showroom floor!

We truly appreciate the effort that Jeff brings to Armor, and we feel confident in his ability to help meet our customer's equipment detailing and painting needs.

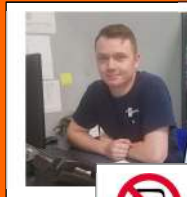

Kudos Jeff!

Stop and see us at the SWANA Conference Oct 1st-3rd in Mulvane, KS!

Here's What's Going On..... busy, busy, busy!

Michelle Wolf (our Office Manager) on clean-up duty after a holiday luncheon.

Had to share this New Guy's pic. He parked in the Owner's parking spot. It was nice knowin' ya New Guy.

New TV in the lobby! Gettin' fancy!

Water main break at our StL shop - hope no one needed to flush!

Joe Wigginton (Regional Sales Manager) golfing at MoWCC Conf in July.

Armor will be Closed on Monday, Sept 2nd for Labor Day!

BLUES WON the Stanley Cup! (Did ya hear?!)

HELP WANTED: We are looking for an Experienced Truck Parts Counter Person in our KS location. If that's you - please email us at Tripp@armor-equip.com.
